

ACCESS TO THE
LABORATORY OF DEPARTMENT OF POLYMER ENGINEERING, BME

**The Laboratory is open for public usage
(Industrial Partners, Research centers and Universities)
with the following restrictions:**

- The laboratory can only be used with our qualified staff,
- The price does not include the material cost for the measurements (e.g. liquid nitrogen, etc.)
- The prices are valid for one equipment and for one hour.

Material testing equipments

150.000 HUF / hour

(Zwick universal tensile machine, Charpy, IFWI, SEM+EDS, LM, MFI, FTIR, DMA, DSC, Shore and micro hardness measuring equipments)

Technological machines

250.000 HUF / hour

(injection molding machine, hot-press, thermoforming machine, twin screw extruders)

Conference hall

150.000 HUF / day (8 hours)

(Maximum 60 person, speakers, beamer, computer, WIFI)

allowances:

30% for research centers

50% universities

The prices excludes VAT and
available from September 1, 2010 until the new quotation will be introduced.
